Dr. Pratik P. Surana is also a **Chief Trustee of Quantum Foundation**, an NGO that focuses on two key projects:

1.Project Dharohar: To inspire and support youngsters to study history and heritage of the country and globally by recognising senior historians with awards, supporting students with scholarships and inspiring young minds by forming history clubs in schools and colleges.

2.Mission One Million: We have a mission towards emotional wellbeing of the people and we have undertaken a mission of "One Million Emotionally Literate Indians by 2035" through podcasts, videos, personal sessions on emotions and their impacts on us. The idea is to understand the journey of renowned and esteemed people from different walks of life and understand their journey and how they overcame emotionally difficult situations in life.

In this initiative, we have recently launched the podcast series called "**Emotionally Yours with Pratik**" where Pratik interviews eminent personalities from various fields such as art, administration, social work entertainment, sports, business, social work, politics and academicians from different wakes of life.

We have crossed **27.5k subscribers in just 8 months.**
